## **LITTLE, Paul**

I am a current serving member on Council. I have been elected four times over the years. I am a retired Police Officer and a Vietnam Veteran. I am married with three adult children and have lived at my current address for 44 years. During my time in Gawler I have been on the Hospital Board, a Director of Football, and a pensions and welfare officer for Australian Defence Personnel. (all those positions were volunteer positions) I am nominating for the Mayor as I believe I have the ability to bring all people together to enable the Town of Gawler to progress in the manner it should. I believe consultation will be my key role if elected. I take full responsibility for this statement. I can be contacted on 0428440619.

## **BOLTON, John**

I am a liberal conservative. By that I mean I wish to conserve all those things that have served us well. At the same time I consider and value change provided there is good reason for it. I am a Barrister, Solicitor, Public Notary and former Policeman in South Australia. I have lived in Gawler for something like 40 years and raised my family here. I provide no photo. You either know me or you don't. You either agree with my value's or you don't. You either want to support the conservation of what I hold dear or you don't. As Mayor a major objective of mine will be to keep your rates down as low as possible.
